As individuals we can accomplish much; but together we can accomplish so much more through the ways we use *our time, our talents and our treasures* in our home, in our Church and in our local community. Through our **'time'** in volunteering in different ways we help to build the parish and community by our personal involvement; our **'talents'** are the different gifts we can each bring to help us grow and reach out to others in need, and our **'treasures'** are the ways we use our finances to support the Parish and other charities locally and world-wide. **Please use the next section to see if there are ways that you can use your time, your talents and your treasures.**

Our Parish works together in many ways. If you assist already please tick 'I help' and if you would like information please tick 'Info', marking a tick [✓] where there is a choice of volunteering in the box.
