### This Week We Celebrate Several Special Days of Prayer

Triggered by the military coup on 1<sup>st</sup> February, this Sunday Myanmar's Catholic Bishops are urging the faithful to mark a day of prayer, fasting and adoration on Sunday, for a peaceful resolution to the nation's crisis. Myanmar's military seized power after detaining the nation's leader Aung San Suu Kyi and President Win Myint, along with other democratically-elected leaders from the governing National League for Democracy party.

Several Christian and Church leaders, such as the World Council of Churches and the Christian Conference of Asia, have also expressed support for a peaceful resolution to Myanmar's latest crisis. Representing our Bishops, Cardinal Vincent Nichols has backed the call of Cardinal Bo for "nonviolence, democracy and dialogue". **Cardinal Nichols assured the prayerful support of his faithful "for peace, for the release of all political prisoners and for genuine reconciliation, recognizing the right of Myanmar's people to determine their own future."** Please light a candle with that prayer intention at some point today.

On Monday we mark the **7<sup>th</sup> International Day of Prayer and Reflection against Trafficking in Persons** and are invited to **reflect on the theme "An Economy without Human Trafficking."** It brings into the spotlight "one of the main causes of human trafficking: the dominant economic model of our time, whose limits and contradictions are exacerbated by the Covid-19 pandemic." An **online Prayer Marathon** has been organized to bring people together from around the world on **Monday from 11 am to 6 pm**, with a central focus at 2pm. The online Prayer Marathon will be live-streamed on YouTube via the English-language link <http://directenglish.uisg.link>

**This Thursday we join in the World Day of Prayer for the Sick**, an observation introduced by Saint Pope John Paul II to coincide with the commemoration of Our Lady of Lourdes as an important opportunity to pray for those who are sick as well as those who provide care to them. **This week we start the series of scripture reflections which are designed to aid our journey towards and through Lent.** The short reflections, which can be done by yourself or in a mix of family and friends, have been written by David McLoughlin, the Emeritus Fellow of Christian Theology at Newman University, Birmingham. Each weekend, the online version of the newsletter will have links to PDF sheets for the series **“Echoes of God: Journeying with the word of God”**. **Monday 8<sup>th</sup> February is the Feast Day of St Josephine Bakhita, the patron saint of victims of modern slavery and human trafficking.** On this day please pray for victims and the people that volunteer and work to eradicate this crime.

O God, who led Saint Josephine Bakhita from abject slavery to the dignity of being your daughter and a bride of Christ, grant, we pray, that by her example we may show constant love for the Lord Jesus crucified, remaining steadfast in charity and prompt to show compassion. Through Christ our Lord. Amen.

<https://righttolife.org.uk/> - **weekly prayers for support and care:** We pray for all women going through unexpected pregnancies, that they would experience peace and support in their situations, and experience the many blessings that motherhood brings.

**Please ask your MP to support an amendment to help stop forced abortion in Xinjiang, China:** there is extensive evidence that many women in the Uyghur Muslim community in Xinjiang, China are being subjected to forced abortions. Lord Alton is currently championing an amendment to the Trade Bill which would give British courts a role in determining whether a country is committing genocide. This would help with putting international pressure on the Chinese Communist Party to stop the practice of forcing abortions on the Uyghur Muslim community along with the wider human rights abuses that evidence shows is being perpetuated against this community. If you would like to email your MP asking them to support the amendment, you can do this easily using a tool which has been set up on the Genocide Response campaign website which can be accessed by visiting the link below:

**The President of the Bishops’ Conference, Cardinal Nichols speaks on bereavement as Covid deaths pass 100,000 in the UK**  
Cardinal Vincent Nichols spoke to LBC radio’s Matt Frei on Saturday 30<sup>th</sup> January 2021 just days after the tragic news that the UK’s death toll from COVID-19 had passed the 100,000 mark. Each death leaves a family bereaved, each hospital admission results in a person facing a fight – loved-ones anxiously hoping for the best from a distance.

Cardinal Vincent talks about isolation, poverty, sickness, death and mourning in this time of pandemic, and how we must build back better with a sense of renewed purpose when we come out of the pandemic. He shares his own experiences of loss and bereavement, and encourages us to pray and hold on to the hope of eternal life. “We try to make the limited resources of the Church as widely and readily available as we can... the hope that faith brings is that this death is not the end of the person’s life it’s an entry into a fuller life – we will be together again. That’s the promise of the Christian faith.”
