Jesus' final command

Jesus' final command to his disciples was to go out and Baptise, to take the Good News and bring other people to belief in him. This is something that should be part of Christian life and a central part of every Christian community, like our parish. Hopefully people who are not Catholic feel they can come to St Mary Magdalen and that they are welcome to find out more about our Faith. They should be able to enquire, question and decide to join by being welcomed without any pressure. Later in the year we will be establishing a weekly group aimed at doing just that. If any existing parishioner or enquirer might be interested in joining, have a word with Canon Francis.
