## Trinity Sunday

We spend much of our Faith-life trying to increase our knowledge of God and deepening our relationship. It is a process of building personal experience and learning about other people's knowledge of God. Today's Feast is a sharp reminder of the Mystery of God. No matter how well we get to know God the reality of the Mystery of God is always with us. For Christians an enduring reality of our Faith is belief in One God and three persons: Father, Son and Holy spirit.

### New Readers and Existing Readers at St Mary Magdalen

Also, can any existing readers that are no longer able to read at Mass, please can you let Canon Francis know this week.
