Pope Francis's Prayer Intention for July 2019

There is a belief inbuilt from childhood that justice will always prevail. As we grow older we realise that justice needs a helping hand. We realise specifically, that there are many without a voice who unable to defend themselves. These might include the elderly, the disabled, the imprisoned or the enslaved. We all need to keep an eye open for the injustices going on around us. This month we are invited to join in Pope Francis's prayer intention ".....That those who administer justice may work with integrity and that the injustice which prevails in the world may not have the last word."
