The Universal Church

Over the years I have had the privilege of helping many people to join the Church. One of the things that still surprises me is that quite a number need extra help in understanding they have joined more than a local parish. While the teachings and Faith are from the wider Church as individuals we often feel part only of the local Parish.

It is quite possible for all of us to forget we are part of not just St Mary Magdalen Parish but the Diocese of Southwark and the Catholic Church all around the world. The 'Universal Church' to which we are all members is a living reminder that Jesus sends us to bring his Good News to all people.
