## LIFE

The Pro-life Charity **LIFE** aims to provide real alternatives for pregnant women. As part of its present initiative we are participating in "Baby Loss Matters" and next weekend will use the Baptistery as a memorial space to commemorate the lives of those lost before, during or shortly after birth for whatever reason. There will be prayer cards and details of support services available.

Baby loss can make a profound impact on individuals, families and communities. Life believes that every life, no matter how short, matters. Its Mission is to create a just society which has the utmost respect for all human life from fertilisation. It is committed to justice for the unborn, the dignity of women and the support of the whole family. Next weekend there will be a retiring collection for their work.

### Setting up a Standing Order donation to St Mary Magdalen Parish

A suggestion for your further support to our parish would be to consider contributing to St Mary Magdalen via standing order, whether you are in the gift aid scheme or not. This greatly helps reduce the physical money we keep on site/transport to the bank. For more information, speak to Canon Francis for a form, or download it from the Downloads page on our website.
