### A message from Fr Adrian, deliberately repeated from last week:

"Thank you for the kind words, Christmas cards and gifts that were received over the last few days, they are much appreciated, especially given the fact that, this year, Christmas has been unlike any other. and, like many of us in our Parish Family, I've had to rely on phone and online calls so we can be together 'virtually'. **There is no such thing as a virtual family though - we are all in this together and, as we may have faced hardships in life, work or finances, in the past, we still have a new and unknown year ahead of us.**

However, it is the reality of our communion together in our own and wider families that can give us strength and draw, most especially, from the strength of our spiritual and physical reception of Holy Communion when that can be possible. **This new year heralds the 170<sup>th</sup> anniversary of the opening of our Parish Church and we will soon again, with the work on the safety of the ceiling and the West Window, be able to open our doors again.**

I would especially like to thank our Parish Finance and Building Committee who have overseen this work, Clare and Loretta who help to coordinate our rotas and to all those, whether on a rota or not, who support the Parish throughout the year by volunteering in so many ways. Although we've had to work very differently together for most of last year, it will be a blessing to again have the support of our Readers, Extraordinary ministers, sacristy helpers, catechists, musicians and singers, our helpers with Children's Liturgy, our collection takers and counters, flower arrangers, church cleaners, linen cleaners and our altar servers as we establish how we can serve the Lord together having made the church safe again.

With my continued prayers and thanksgiving that you and your family will have had a Happy and Holy Christmas and a New Year filled with God's blessings, Fr. Adrian."

## National Lockdown Update: A Message from Fr Adrian on 9<sup>th</sup> January

I am sure that many of you are wondering how we can open the church amidst national calls for us all to remain at home and how we can open when I am 'Shielding', like many of us in the Parish, as a person on the NHS Extremely Critically Vulnerable List.

**Archbishop John wrote last weekend that** '*...Unless exceptional circumstances dictate otherwise, it is crucial that our churches remain open [as with] the correct measures in place, our churches are safe places.*' The reason given for keeping churches open is that such a measure '*is vital to our spiritual health and wellbeing.*' This week there have been calls from the Mayor of London, and some Local Authorities, for places of worship to close. The Archbishop has written a response to this which can be downloaded online by clicking here, stating that the new National Lockdown Guidance (quoted in the section below this) is still in force as '*The Government has not delegated to Local Authorities any powers to amend these regulations*'.

I can understand both sides of the concern and want to reiterate the information given last week in the section below.

**However, as your Parish Priest, I earnestly request that you consider following the Government guidance and that you remain indoors and join us online for Mass, especially if you are shielding or considered in a 'vulnerable category'.**

We rely on being able to open up on the support of a small but dedicated team of volunteers and **I would like to stress to our volunteers that the care and protection of your own families must take precedence and that you have my full support if you decide at this time that you cannot help at the moment.** Given the decisions we all have to make, where we can form a team of volunteers to prepare for Mass next **Sunday 17<sup>th</sup>**, we will open for Mass, **if we can safely do so.** If you are an existing helper or a new volunteer, please email our Part-time Parish Administrator, Clare, via [Mortlakeadmin@RCAOS.org.uk](mailto:Mortlakeadmin@RCAOS.org.uk) to let us know if you can help or whether you would like to step down temporarily while we are in the current lockdown position.

The Diocese ask me to inform the Archbishop each week whether we can open for Mass, so it will be a decision made each Saturday via the weekly newsletter published online and sent by email to Parish members who have signed up to receive it. If we can open it is because we have a clean church with people socially distant and wearing masks, but do please remember to stay away if you have any symptoms of a cough, a cold or Covid, so that we can remain safe for others. Thank you.

The main points of the new National Lockdown Guidance which relate specifically to places of worship are summarised below:

**Communal worship and life events - You can leave home to attend or visit a place of worship for communal worship, a funeral or event related to a death, a burial ground or a remembrance garden, or to attend a wedding ceremony.**

You should follow the guidance on the safe use of places of worship and must not mingle with anyone outside of your household or support bubble when attending a place of worship. Weddings, funerals and religious, belief-based or commemorative events linked to someone's death are all subject to limits on the numbers that can attend, and weddings and civil ceremonies may only take place in exceptional circumstances.

**This means there is no statutory obligation on places of worship to close at this time, and that the public celebration of the Sacraments, where all necessary stewarding and sanitisation measures are in place, may continue.**

Needless to say, this section of the Archbishop's email of last Saturday still applies:

*... I would, therefore, suggest that a local determination is made by each parish priest or parochial administrator about the Mass schedule for Sundays and weekdays and the opening of churches for personal prayer ... Wherever possible, please enable people to attend Mass and visit the church for prayer, with all necessary stewarding and sanitisation measures in place. If, however, it is not possible to ensure the church buildings are properly stewarded and sanitised, or the risks are deemed too great, or the priest himself becomes unwell or needs to self-isolate, and no alternative provision can be made, please take whatever temporary action is judged necessary ... This decision should be reviewed each week, ...*

*Unless exceptional circumstances dictate otherwise, it is crucial that our churches remain open for the celebration of Mass and personal prayer. This is vital to our spiritual health and wellbeing. With the correct measures in place, our churches are safe places. It is, however, paramount that clergy and laity alike follow the requirements for distance, stewarding, and sanitisation, as specified in the guidance sent out previously. The instructions concerning the liturgy must also be followed in full. Failure to implement these measures is an extremely serious matter, and potentially jeopardises peoples' health. The laity have the right to the reassurance provided by the guidelines for the celebration of the Sacraments in the context of the pandemic.*

I hope this information will address any questions which may arise at this time. With my continued prayers, Fr Adrian

**If you are applying for a place at a Catholic Primary School for September 2021 please read this information very carefully For the Primary School SIF to be back by Friday 15 January, the last date to drop the form into the Parish Office WAS Saturday 2 January.** This was to allow for a quarantine of 72 hours before and after completion, **so that the reference(s) can be collected from Fr Adrian at Noon on Sunday 10 January, today.** Thank you to all those families who have completed your forms..
